## Welcome!!!

As one of the newest chapters in NY State, it is with great pleasure & excitement that we introduce our first edition of the Phi Omega Zeta News. The purpose of our newsletter is to keep you informed with what's happening within our chapter & the communities that we serve.

In this issue, you'll see that Phi Omega Zeta has already hit the ground running with much zeal. We'll share with you how we made the Tutor Time campers happy with our contribution to their end of summer field trip. Also, read about how the students at La Francis Hardiman Elementary School in Wyandanch were very grateful to

receive the book bags & school supplies that we donated to them. Please don't forget to check out our upcoming activities & events in our 'News & Events' section.

Phi Omega Zeta is excited about the year ahead & we look forward

to working with neighboring chapters in making this sorority year a phenomenal one.

Enjoy!!

## POZ Sends Campers on Adventureland Trip

With summer coming to a screeching halt the students of Tutor Time Summer Camp in Ronkonkoma, NY were really looking forward to their annual trip to Adventureland.

Unfortunately, not all the students were able to afford the final field trip in which they so anxiously awaited. The ladies of Zeta Phi Beta Sorority, Inc- Phi Omega Zeta Chapter made a donation

to the camp. As a result, the entire camp was able to enjoy a fun filled day together at one of Long Island's favorite amusement parks. What a perfect ending to a fun filled summer!

## POZ Donates School Supplies to La Francis Hardiman

As the school year begins, Zeta Phi Beta Sorority, Inc- Phi Omega Zeta Chapter wanted to help La Francis Hardiman Elementary School, located in Wyandanch, NY, by providing them with the right supplies so the students can confidently kick off the new school year.

Thanks to the unbeatable prices at Wal-Mart (Centereach, NY) the chapter was able to provide the school with 32 fully supplied backpacks as well as a stock of various school & art supplies for the teachers.

We realize that in this economy the need for school supplies is greater than ever. If teachers & students have the supplies they need, it can significantly influence the student's future success. We are more than happy to be a contributor to their success & we hope that the students of La Francis Hardiman have a great school year.
